**ANNUAL MEETING
2023-2024**

Strategic Plan 2019-2024

PILLAR 1 Career, College and Life Ready Graduates

COMMITMENT

We will ensure that all students will be prepared for success upon graduation.

STRATEGIES

21st Century Learning
Personalized and Differentiated Instruction
Academic and Career Pathways for Relevance and Engagement

ACTIONS / DELIVERABLES

- Create a *Profile of a Graduate* and employ it to increase understanding of and commitment to graduate expectations.
- Design course sequences and career exploration experiences to build an academic and career plan (ACP) for each student to successfully transition upon graduation.
- All students will have personalized college/ career/life-based learning experiences (e.g. internship, co-op opportunity, job shadow, Career and Technical Student Organizations (CTSO), dual credit, simulation) by graduation.
- Integrate 21st Century skills throughout the curriculum PK-12 (learning skills, life skills, literacy skills).
- Extend student digital learning capabilities to personalize learning while also promoting digital citizenship.

PILLAR 2 Student Social and Emotional Wellness

COMMITMENT

We will assist all students to be healthy and well, so they can learn, thrive, and reach their goals.

STRATEGIES

Social Emotional Learning (SEL) Curriculum
Professional Development for Staff
Mental Health Services and Resources

ACTIONS / DELIVERABLES

- Implement K-12 SEL curriculum with common expectations for instructional delivery at all levels.
- Provide personalized supports for all learners.
- Provide differentiated, sustained, and ongoing SEL professional development for all faculty and staff.
- Be a strong conduit for student mental health resources, thereby creating a clearer pathway to attain services.

PILLAR 3 Our Talented Workforce

COMMITMENT

We will ensure our staff is engaged, valued, and able to support our students to reach their goals.

STRATEGIES

Hiring and Retaining High-Quality Staff
Professional Development
Employee Engagement and Recognition

ACTIONS / DELIVERABLES

- Leverage annual staffing plan to hire staff that meet the changing needs of students and community.
- Expand master's degree cohort with UW-Stout.
- Expand mentoring program.
- Review compensation plans using three-year cycle to maintain competitive employee salary/benefits.
- Address substitute teacher availability and recognition.
- Formalize the PD planning process that involves and engages all staff in identifying differentiated PD interests and needs.
- Focus PD in key areas: SEL/trauma-sensitive practices, 21st Century learning, personalized and differentiated learning.
- Increase employee engagement.

PILLAR 4 Parent and Community Partnerships

COMMITMENT

We will ensure that all parents are provided opportunities to be involved and engaged in their child's learning.
We will enhance and develop strong partnerships that support student learning.

STRATEGIES

Parent Engagement
Sustaining and Growing Community Partnerships to Better Serve our Students
Support for Parents in Need

ACTIONS / DELIVERABLES

- Implement a system to identify parent satisfaction and engagement.
- Implement a more user-friendly website.
- Implement a multi-tier parent communication and engagement plan to better meet family needs.
- Increase high quality community partnership opportunities.
- Implement a system to help families in need access available school and community resources.

PILLAR 5 Facilities and Operations

COMMITMENT

We will ensure we are stewards of our community's resources while offering efficient and effective learning spaces for students.

STRATEGIES

Maintain and Enhance a Safe Learning and Working Environment
Maintain Buildings and Grounds
21st Century Learning Spaces

ACTIONS / DELIVERABLES

- Construct secure entrances at Oaklawn Elementary School, Menomonie Middle School, and Knapp Elementary School.
- Traffic study/analysis conducted at schools where needed (Wakanda Elementary School, Menomonie Middle School, and Oaklawn Elementary School).
- Implement energy management policy.
- Allocate resources to implement 30-Year Maintenance Plan.
- Update 30-Year Maintenance Plan.
- Create a facility plan to identify future facility needs based on enrollment projections, programming needs (EC/4K/special education, environmental site) and 21st Century learning opportunities.

The School District of Menomonie Area, by embracing the unique needs and using the strengths of our diverse community, is dedicated to preparing **ALL** students to become lifelong learners, caring individuals, and responsible citizens.

Superintendent's Message

August 8, 2023

Dear Citizens, Friends, and Neighbors:

The 2022-2023 school year in the School District of the Menomonie Area included many wonderful accomplishments by students and staff. All schools in the SDMA met or exceeded expectations on the state accountability report cards, and the district was able to offer a wide variety of co-curricular and extracurricular opportunities for the children in our community.

During the 2023-2024 school year, the school district will continue to focus on core values as the faculty, staff, and administrative team work to achieve our mission of preparing ALL students to become lifelong learners, caring individuals, and responsible citizens. The productive engagement of community partners continues to be a priority in the SDMA as work continues toward a shared vision, while being mindful of the finances of our organization. This year, the school district leadership team, faculty, and staff will continue working on the goals set forth by the district's strategic plan focused on Career, College, & Life Ready Graduates; Student Social and Emotional Wellness; Our Talented Workforce; Parent and Community Partnerships; and Facilities & Operations.

While the school district continues to have success employing a terrific staff that is extremely competent, caring, and committed to the success of our children, smaller candidate pools have made it more important than ever to recruit and retain highly qualified teachers and staff members. Compensation plans for faculty and staff members in the SDMA include another round of unprecedented increases for the 2023-2024 school year, and the district will be once again be focusing much of this year's inservice time onboarding new staff members and collaborating with staff to continue building a positive climate and culture in our schools.

As with all areas in the SDMA, school officials continue to emphasize responsible decision-making and planning for the future when considering school district finances. While the new biennial budget for the State of Wisconsin provides some new revenue for school districts, incremental increases to the revenue cap will not be sufficient for replacing federal pandemic funding and keeping up with high inflation rates. District leaders will work to once again balance the budget while prioritizing services directly impacting the classroom, but additional revenue will be needed to avoid significant cuts in the future.

Preliminary budget figures demonstrate a planned deficit for the 2023-2024 budget, but it can be expected that changes will be made during the year to minimize any shortfalls. Both revenue and general fund expenditures are set to increase in the 2023-2024 budget. The tax levy for school district operations, debt service, and community service is projected to be \$15,832,292, an increase of 2.16% compared to a tax levy of \$15,498,294 from 2022-2023. State revenues are projected to account for 63% of the total budget in 2023-2024, which is an increase over the previous year. The projected tax rate for 2023-2024 is \$6.20 per \$1,000 of equalized value, which would be an increase of \$0.13 from the actual mill rate of \$6.07 a year ago. At this time, an expected increase in district property values has not been factored in, so if reported property values continue to trend upward, it is likely that the mill rate will decrease. It should be noted, however, that individual tax rates will vary for each property owner depending upon where one lives and the full or partial values of the assessment.

While successfully managing operations and maintaining the fiscal health of our school district continues to be important, our greatest priority is the success of our children. Our school district continues to enjoy many great examples of success in the classroom, in athletics, and in many co-curricular activities. Much of this success can be directly attributed to our wonderful staff and the partnerships that our school district enjoys with parents, families, local businesses, UW-Stout, and our community. Graduates continue to leave MHS well prepared for opportunities in the workforce, military, or other institutions of higher education, and many of our school district alumni return to call the Menomonie area their home. It truly is a wonderful time to be a Menomonie Mustang!

Welcome to the 2023 Annual Meeting

Welcome to the Annual Meeting of the School District of the Menomonie Area. The annual meeting plays a special role in the governance of the school district. Electors in the district have special powers reserved to them as a body at the Annual Meeting. State statutes set forth the basic requirements for holding the Annual Meeting and outline the powers of the electors at the Annual Meeting. (Wisconsin Statutes 120.08, 120.09, 120.10, 120.11)

The Annual Meeting provides district residents with an opportunity to focus their attention and comments on the operation of the school district. Electors should also note that the Board of Education, at each regularly scheduled meeting, has a place on the agenda for community communications. One need not wait, however, until the Annual Meeting or a regular meeting to discuss matters with the Board of Education. Individual board members are always available for discussions.

Even though specific powers are granted to the Annual Meeting, the powers of the Annual Meeting for action are also limited. The school board is charged by the statute with the care, control, and management of the property and affairs of the school district. The electors, for example, do not have the power at the budget hearing to amend the budget as proposed, nor to approve or disapprove such budget. That responsibility remains with the school board.

The Board of Education and school administration have outlined the necessary action at the Annual Meeting required by statute. Other matters may come up for action under new business and votes may be taken; however, the action is advisory only upon the Board of Education. As elected members from the electorate, the board hears points of view prior to implementing or changing school policy; however, they have the final responsibility to operate and manage the schools.

Our Mission

**Preparing ALL students to become lifelong learners,
caring individuals, and responsible citizens.**

We value **Trust**; therefore, we will

- Share
- Be reliable
- Be consistent
- Follow through

We value **Community**; therefore, we will...

- Care
- Serve
- Unite
- Be loyal
- Celebrate

Our Vision

What We Intend to Create (adopted 2010 – Board of Education Goal-setting Process)

- Strong partnerships with students, families, and the community in order to increase trust and shared responsibility.
- The alignment of district fiscal resources with established priorities
- A high quality, well-rounded educational experience to all students that is rigorous, culturally relevant, healthful, and engaging.
- ALL students performing at or above grade level in all academic areas.
- Graduates prepared for college, career, and life in the 21st century.
- Systems that will provide a diverse staff of competent, dedicated, and caring professionals.

Minutes – August 22, 2022

**MINUTES OF THE ANNUAL MEETING
OF THE BOARD OF EDUCATION OF THE
SCHOOL DISTRICT OF THE MENOMONIE AREA
MENOMONIE, WISCONSIN
AUGUST 22, 2022**

The budget hearing and annual meeting of the School District of the Menomonie Area were held in the Tiered Lecture Hall at Menomonie High School, 1715 Fifth Street West, in Menomonie, Wisconsin, on Monday, August 22, 2022.

Board members in attendance were Rachel Henderson, Mark Hillman, Karl Palmer, Amy Riddle-Swanson, Angie Skillings, Charlie Schneider, Abe Smith, Dominique Stewart, and Dale Dahlke. Directors and administrators in attendance were Dr. Joe Zydowsky, Shannon Branch, Keila Drout, Michael Kennedy, Sam Hoyt, Tonia Kowieski, Brian Seguin, and Leah Theder. Electors and/or others registering attendance included Ingmar Amberson, Tony Flom, Linda Uetz, Karen Styer, David Styer, Margaret Breisch, Alexandra Hall, Kaye Wurm, Joe Wurm, Erin Alexander, John Alexander, Allen Crowe, Gerald Wallen, Joyce Uhlir, Steven Endrad, Lois Shackleton, Julie Beston, Suzette Nieman, Kim Leach, Jim Uhlir, Dana Leipnitz, James Stewart, Jodie Olson, Gretchen Yonko, Josie Pillman, Amy Zuber-Seguin, Betty Verdon, and Clint Moses. Recording Secretary Jenny Mikesell and videographer Steve Hanson were also present.

School board president Charlie Schneider convened the annual meeting and budget hearing at 6:00 p.m. Charlie Schneider and Angela Skillings were nominated to chair the meeting. Schneider was named chair of the meeting by majority show of hands.

Chairman Schneider appointed Rachel Henderson as parliamentarian with Samantha Hoyt and Tonia Kowieski as tellers. Former board members Dave Styer and Clint Moses were recognized for their years of service as school board members and presented with gifts and certificates of commendation from the Wisconsin Association of School Boards. Schneider also recognized current board members and thanked them for their hard work and dedication.

The minutes of the annual meeting of August 23, 2021 were presented.

Leah Theder, Director of Business Services, presented the Treasurer's Report and Audit Summary printed on page six of the annual meeting booklet.

District Administrator Joe Zydowsky welcomed everyone to the meeting, introduced and recognized the administrative team, board members, and district staff. Highlights for the 2021-22 school year included; all SDMA schools met or exceeded expectations on the 2021 state accountability report cards; all SDMA schools were open for in-person learning during delta and omicron waves of the COVID-19 pandemic; in-person and virtual learning options were available for all families; expanded staffing levels were continued to provide support during the pandemic; expanded use of technology in the district – especially key for supporting learning during quarantine; offered students a full slate of activities, clubs, and athletics; provided free meals throughout the district and offered a robust summer school program in 2022; reduced energy use in the district by 17%.

A review of district facilities included Menomonie High School, Menomonie Middle School, Downsville Elementary School, Knapp Elementary School, Oaklawn Elementary School, River Heights Elementary School, Wakanda Elementary School, the Administrative Service Center, and the Bjornson Environmental Center. The district's current demographics are as follows: a student population of 3,289 students, 255 teachers (4K-12), 69 paraeducators, 103 support staff personnel, 1 district administrator, 1 assistant superintendent, 8 directors, 7 principals, and 2 assistant principals.

Major initiatives for 2022-2023 include; continued work on the SDMA strategic plan, which includes career, college and life ready graduates, student social and emotional wellness, our talented workforce, parent and community partnerships, facilities and operations; continued recovery from the pandemic-building trusting relationships with students; staffing shortages across the country; installation of MMS solar array; and construction of phase 3 of the MHS sports complex.

Leah Theder, Director of Business Services, reported that the total budget, which is expected to be \$63.18 million, includes several major funding categories and hundreds of "line items." Property values for the district over recent years have increased. The estimated district valuation for 2022-2023 is projected to remain unchanged in the preliminary budget. The levy analysis shows a 1.60% decrease of \$271,464 in the tax levy for 2022-2023. The estimated mill rate is \$7.58, which is a projected decrease of \$0.13 from last year. The district will know the actual amount this fall, after the new property valuation has been received and the revenue cap has been recalculated.

Budget adjustments for 2022-2023 include the following additions: salary increases of approximately 6.98% (4.7% + Steps), health insurance increase of 3%, revenue cap at \$0, ESSER III Grant (COVID Aid), phase III sports complex, replace Oaklawn fire system, and solar array project. Reductions include ESSER I Grant, and approved staffing plan.

Mrs. Theder reported a projected .08% decrease in revenues and a 6.55% increase in expenses from 2021-2022. Operating expenses for 2022-2023 break down as follows: 74%-salaries and benefits (includes transfers for special education); 12%-purchased services/communication; 5%-transportation; 2%-equipment; 4%-supplies, books, software; and 3%-miscellaneous expenses. A look at operating revenues for 2022-2023 shows that 59% is from state equalization and pupil aid, 30% from local property taxes, 7% from federal grants, 2% from other state aids and grants, and 2% from miscellaneous revenues.

Theder reported that the Fund 10 balance is sufficient for operational and cash flow needs which eliminates the need to short-term borrow. The general fund balance is currently projected to decrease in 2022-2023. The 2021-2022 Fund 46 balance is \$7,810,784.07 estimated to contribute \$810,000 in 2022-2023. The OPEB liability was at \$6.8 million on July 1, 2021 with a trust fund balance of \$6,429,592. No additional contribution to Fund 73 is planned in 2022-2023. The Fund 80 tax levy is projected to remain the same for 2022-2023.

Following the presentation of the budget, Zydowsky and Theder answered questions and reminded the audience that the figures presented were preliminary and that the school board would finalize the budget and set the tax levy in October after enrollment, property valuation, and state aid was certified by the state.

Brian Seguin made a motion, seconded by Angie Skillings, that there be levied upon the taxable property of the School District of the Menomonie Area the sum of \$16,697,399 for the operation of district schools and for discharge of long-term debt obligations for the 2022-2023 school year. The motion passed by majority show of hands.

Tonia Kowieski made a motion, seconded by Samantha Hoyt, that members of the Board of Education be compensated with annual salaries as follows: Board President-\$1,000, and all other members \$800 each. The motion passed by a majority show of hands.

Margaret Breisch, made a motion, seconded by Alexandra Hall, that members of the Board of Education be compensated for actual and necessary travel expenses incurred in performance of duties. The motion passed by a majority show of hands.

Margaret Breisch made a motion, seconded by Ingmar Amberson to adjourn the meeting at 7:00 p.m. The motion carried with a majority show of hands vote.

Explanation of Funds

GENERAL FUND (FUND 10)

The General Fund is used to account for all financial transactions relating to the district's current operations. The General Fund is the fund into which most tax and aid receipts are received and from which most of the operating expenses are paid.

SPECIAL PROJECT FUNDS (FUNDS 21, 27)

Fund 21 is used to account for gifts and donations from private parties.

Fund 27 is used to account for special education and related services funded wholly or in part with state or federal special education aid.

DEBT SERVICE FUND (FUNDS 38, 39)

These funds are used for recording transactions related to repayment of promissory notes, bonds, and state trust fund loans.

CAPITAL PROJECTS FUND (FUND 40)

These funds are used to report capital project fund activities, including referenda activity.

FOOD SERVICE FUND (FUND 50)

All revenues and expenditures related to pupil food service activities are recorded in this fund.

COMMUNITY SERVICE FUND (FUND 80)

This fund is used to account for activities such as community recreation programs and athletic programs and services outside regular curricular and extracurricular programs which have the primary function of serving the community. Access to these programs is not limited to pupils enrolled in the district's educational programs.

PACKAGE AND COOPERATIVE PROGRAM FUND (FUND 99)

This fund is used for cooperative instruction funds (does not include CESA packaged services by a host district).

Explanation of Fund Accounting

Budget Reporting

Accounts used in school district budgeting and financial reporting are designated by the Department of Public Instruction. A uniform accounting system is important for the facilitation of reporting, auditing, data processing, inter-district comparisons, and financial accounting for cooperative programs. A complete list of allowable account codes and account code explanations are available for review on the website at:

https://dpi.wi.gov/sites/default/files/imce/sfs/pdf/WUFAR_Revision_23-24.01.pdf.

Fund Accounting

Financial administration requires that each transaction be identified for administrative and accounting purposes. The first identification is by fund which is an independent fiscal and accounting entity, requiring its own set of books, in accordance with special regulations, restrictions, and limitations that earmark each fund for a specific activity or for attaining certain objectives. Each fund must be so accounted for that the identity of its resources and obligations and its revenues and expenditures is continually maintained.

All funds used by Wisconsin school districts must be classified into one of nine fund types. The major fund types are the General Fund, Special Projects Fund, Debt Service Fund, Capital Projects Fund, Food Service Fund, Agency (Pupil Activity) Fund, Fiduciary Fund, Community Service Fund, and Package and Cooperative Program Fund.

Basis of Accounting

The basis of accounting refers to the point in time when revenues, expenditures or expenses and the related assets and liabilities are recognized in the accounts and reported in the financial statements. In other words, the basis of accounting determines the timing with which the accounting system recognizes transactions.

Governmental funds, expendable trust funds, and agency funds use the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when they become both measurable and available (susceptible to accrual). Measurable means the amount of the transaction can be determined and available means collectible within the current period or soon enough thereafter to pay liabilities of the current period. State general and categorical aids, federal impact aid, and other entitlements are recognized as revenue at the time for receipt or earlier if the susceptible to accrual criteria are met. Expenditure-driven programs currently reimbursable are recognized as revenue when the qualifying expenditures have been incurred.

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. Employee services and payroll-related costs (employee health, life, disability insurance, FICA, Medicare, Wisconsin Retirement System contributions, annuities) other than compensated absences, termination, and other post-employment benefits are recognized in the fiscal period when incurred.

The following tables provide actual audited results for 2021-22 school year, unaudited results for 2022-23, and proposed budget for 2023-24. Actual revenue and expenditures for 2022-23 will be provided after closing entries and the audit is complete. The budget reported for 2023-24 was approved by the Board of Education on June 26, 2023.

TAX LEVY EXPLANATION

The school district tax levy is made up of several components. These include:

- Amount of operational dollars needed-General Fund , Capital Projects, Community Service levies
- Amount of debt service tax dollars needed-Debt Service Fund levy
- Equalized value of property in the school district
- Mill (tax) rate

The tax levy is the total amount of property taxes levied or assessed to municipalities in our school district to fund school operations. The maximum tax levy amount, other than referendum-approved long-term debt or long-term debt incurred prior to 1993, is determined through the state's revenue cap (limit) formula. Taxpayer approval, through the referendum process, is required if a school district wants to exceed the revenue limit. The tax levy approved at the Annual Meeting will be adjusted by the Board of Education in October when the Department of Public Instruction (DPI) has certified the district's state equalization aid amount for the 2022-2023 fiscal year which is received in 2023-2024.

Equalized valuation is the fair market value of all properties within a school district as determined by the Wisconsin Department of Revenue. The Wisconsin Department of Revenue uses property sales information to determine a municipality's equalized "fair market" valuation. This information is reported to the school district in October of each year.

The school district distributes the certified (approved) tax levy among the municipalities according to the proportion of equalized value each municipality has in comparison to the total equalized value of the school district. Each municipal treasurer distributes this levy among the various residents based on the assessed value of the property within the municipality.

Equalized valuation plays a very important role in determining the school mill (tax) rate. For purposes of budget projections, the school district must estimate the equalized value (\$2,555,281,742) which is used for the 2023-24 fiscal mill rate estimate reflecting a .13% increase. In October, the actual certified equalized values of all municipalities within the school district are reported by the Department of Revenue. The district then calculates the actual mill (tax) rate per thousand dollars of equalized valuation. Property values decreased in the last preceding fiscal year.

To calculate the school mill (tax) rate, the district uses the tax levy certified (approved) by the School Board in October and divides that amount by the total equalized value of the school district. The mill rate is defined as the rate one thousand dollars of equalized valuation will raise in property taxes. Property owners in a municipality having more than one school district, fire district, or other governmental entity may find that mill rates vary within the municipality. Property owners may realize different changes (typically increases) in their property assessments depending upon conditions within their community and surrounding communities.

The Board is proposing a total tax levy of \$15,832,292 to fund the 2023-24 budget. To determine the rate per thousand, the district divides \$15,832,292 by the estimated equalized value of the district, \$2,555,281,742. This produces a projected mill (tax) rate of \$6.20. Since the district does not receive the official (certified) equalized valuation until October 1, 2023, the property taxpayer in the School District of the Menomonie Area may realize a change in the estimated 2023-24 mill rate. For example, if the tax levy remains the same as approved, but the total equalized valuation decreases from the estimate used, the mill rate would increase. If the total equalized valuation increases from the estimate used, the mill rate would decrease. The Board is required to make any adjustments, if needed, to the levy on or before November 1, 2023. The final determination of state aid will also modify the estimated mill rate.

The School District of the Menomonie Area exercised its taxing authority to exceed the revenue limit on a non-recurring basis by \$134,138 on energy efficiency measures and renewable energy products for the 2009-10 school year. The district has expended \$134,138 of this revenue limit authority. As a result of these expenditures, the district has met the following performance indicators: High school pool roof replacement completed in November 2009. Energy savings for 2022-23 were \$955.00. Lighting replacements at Menomonie Middle School, Oaklawn Elementary, River Heights Elementary, and Wakanda Elementary were completed in February 2010. Cost recovery is complete.

Employee Benefit Trust

The School District of the Menomonie Area established an employee benefit trust during the 2006-2007 school year. The School Board is the trustee for the trust. All investments of the trust are managed by the business office under the direction of the school board. State statute requires reporting of this trust in the annual report.
